

FISD Code of Conduct for Extracurricular Activity Involvement

Involvement in extracurricular activities is a privilege, and with that privilege comes responsibility. Participants are expected to conduct themselves in an exemplary fashion that will be a source of pride to the school district and to the community. Frisco ISD encourages student involvement in extracurricular activities and we expect them to abide by these policies in exchange for the lifelong benefits gained through this involvement.

The following policies apply to all extracurricular activities at all FISD schools.

1. The illegal use of alcohol or the illegal use of controlled substances is prohibited. The following penalties will be enforced.

Step 1 (1st offense)

The student will be suspended from participation for two extracurricular activities for two weeks and will complete appropriate cardiovascular training. The student will also be required to complete an approved substance abuse intervention program. If the violation occurs during the off-season, the two week suspension will carry over until the next competitive season.

Step 2 (2nd and subsequent offenses)

The student will be barred from participation in all extracurricular activities at Frisco ISD for 1 calendar year from the date school officials first become aware of the infraction.

Each infraction carries over from one activity to the next and from year to year throughout the student's enrollment at any Frisco ISD school. Refusal to complete any assigned consequence in Step 1 will result in the enforcement of Step 2. Activity directors and coaches, in conjunction with FISD administrative staff, will investigate all reported violations in accordance with campus guidelines and training.

2. If a student commits a serious criminal act, it reflects negatively on all extracurricular activity participants.

The following consequence, in addition to any other school disciplinary action, will be enforced in the event school personnel have reasonable cause to believe a student has been involved in the commission of a felony offense, as defined by the Texas Penal Code or by Federal law.

The student will be removed from participation in all extracurricular activities for 1 calendar year from the date school officials first become aware of the offense.

3. Activity sponsors or coaches are permitted to assign reasonable consequences in the event a member of their activity group is in violation of any part of the FISD Student Code of Conduct or Campus Behavior Management Plan.
